PRESS REVIEWS AND ARTICLES

"Kai-'r/xhqt(i)s" *Double Reed*, Vol. 32, No. 3 [2009]

"If you are looking for a new challenge, you might want to tackle this composition."

Jay Rath. "New Selections Highlight Show By University's String Orchestras," *Wisconsin State Journal*, December 10, 2002. (Review of *Sketches for String Orchestra*.)

"It's an aggressive and even witty collection of miniatures, sometimes dissonant, sometimes lyrical, and always hugely inventive. There are staggered meters and silken elegies -- a showcase for any orchestra."

Johndan Johnson-Eilola. *Datacloud: Toward A New Theory of Online Work*. New Dimensions in Computers and Composition Series (ed. Cynthia L. Selfe and Gail Hawisher). Cresskill, NJ: Hampton Press, 2005.

(As focus composer of one of four case studies in this book.)
